

Students ages 10 - 12 in Fiddle, Mandolin, Guitar, and Bass are welcome!

This camp is for students who comfortable with their instruments, e.g. having about two years of experience (talk to Paul if you are unsure of level).

Camp Curriculum includes:

- Learning a set of four tunes by ear
- Individual “master classes” (improve your technique)
- Learning to groove (backup and accompaniment)
- Playing in a band (collaboration and arrangements)
- Writing your own tune (composition)
- Recording
- Performance
- Understanding music (theory and modes)

Each day from Monday-Thursday we will explore one of the great fiddle-tune traditions: Irish, Old time, Metis and Quebecois. Special guest performers steeped in their particular tradition will demonstrate the unique aspects of each style. Participants will learn about the culture in which the style developed as well as related art forms.

Tunes will be taught in the traditional style (by ear). If you’ve never learned by ear before this is a great opportunity, it will help you catch on to tunes when joining a jam session!

Camp activities include outdoor games to teach collaboration and coordination, and excursions such as a wiener roast in the park.

Dates: Monday, July 22 - Friday, July 26, 2019

Times: 9:00am - 4:00pm.

We will host a final performance on Friday, July 26, at 3:30 pm – family and friends welcome!
